

International Session: Complex Primary PCI and Complications in STEMI Presented by Bulgarian Working Group of Interventional Cardiology, Hungarian Working Group of Interventional Cardiology, Hong Kong Society of Transcatheter Endocardiovascular Therapeutics (HKSTENT), and Romanian Working Group of Interventional Cardiology

Monday, September 24, 2018, 3:30 PM-5:00 PM

Cardiovascular Research Foundation

Room 27A-B, Upper Level

This session is not accredited.

Session I: Complex Primary PCI in STEMI

3:30 PM-4:15 PM

Moderators: Michael Kang-Yin Lee, Ivo Petrov, Marin Postu, Zoltan Ruzsa

Discussants: Valeri Ljubenov Gelev, Stefan Mot, Zsolt Piroth, Lucian Marius Predescu, Li-Wah Tam

3:30 PM **Is Multivessel Revascularization During Primary PCI in STEMI Necessary, Desirable, or Contraindicated?**
Stefan Mot

3:35 PM **Case Introduction: My Most Complex STEMI PCI**
Case Presenter: Istvan F. Edes

3:40 PM **How Would I Treat This Patient?**
Marin Postu

3:45 PM **Case Conclusion: How I Treated This Patient**
Case Presenter: Istvan F. Edes

3:50 PM **What Interventionalist Should Know About Using ECMO-Assisted Coronary Intervention in Cardiogenic Shock**
Zoltan Ruzsa

3:55 PM **Case Introduction: My Most Complex STEMI PCI**
Case Presenter: Lucian Marius Predescu

4:00 PM **How Would I Treat This Patient?**
Zsolt Piroth

4:05 PM **Case Conclusion: How I Treated This Patient**
Case Presenter: Lucian Marius Predescu

4:10 PM **Roundtable Discussion With Audience Q&A**

Session II: Complex and Complicated Primary PCI

4:15 PM-5:00 PM

Moderators: Michael Kang-Yin Lee, Ivo Petrov, Marin Postu, Zoltan Ruzsa**Discussants:** Valeri Ljubenov Gelev, Stefan Mot, Zsolt Piroth, Lucian Marius Predescu, Li-Wah Tam

4:15 PM **Surprises in Primary PCI**
Li-Wah Tam

4:20 PM **Case Introduction: No Reflow During Primary PCI**
Case Presenter: Yu Ho Chan

4:25 PM **How Would I Treat This Patient?**
Ivajla Zhivkova Zheleva

4:30 PM **Case Conclusion: How I Treated This Patient**
Case Presenter: Yu Ho Chan

4:35 PM **Left Main PCI in Patients With STEMI**
Valeri Ljubenov Gelev

4:40 PM **Case Introduction: STEMI Patient With LM Occlusion and Subtotal Aorto-ostial Stenosis of the LAD Graft**
Case Presenter: Ivo Petrov

4:45 PM **How Would I Treat This Patient?**
Angus Shing-Fung Chui

4:50 PM **Case Conclusion: How I Treated This Patient**
Case Presenter: Ivo Petrov

4:55 PM **Roundtable Discussion With Audience Q&A**
